

Tidemark Company

Mercenaries

The **Tidemark Company** is a seafaring mercenary order that contracts custom companions to worthy players. Three branches, three roles, and token-based contracts.

The Mercenaries

- **Tidewarden** - Tank, melee, water property, very durable.
- **Galestrider** - Ranged DPS, wind property, fast and mobile.
- **Deepcaster** - Magic DPS, water property, high burst but fragile.

Broker Location

Tidemark Broker, Izlude harbor at **140,164**, near Maren the Tidewright.

What Are The Poring King Sigils?

The **Coral Sigil**, **Storm Feather**, and **Abyss Pearl** are **Tidemark Company faction tokens**. If a player gets one from the Poring King, they can save it and use it to forge a temporary mercenary contract.

- **Coral Sigil** - Tidewarden tank theme.
- **Storm Feather** - Galestrider ranged theme.
- **Abyss Pearl** - Deepcaster magic theme.

Contracts

- **Normal:** 30 minutes, 1 faction token.
- **Elite:** 60 minutes, 3 faction tokens.

Contracts are token-only. There is no zeny purchase path, but the broker can exchange **Bronze Coins** for faction tokens at **1 Bronze Coin each**.

How To Get Tokens

- Hunt the **Poring King** in Poring Haven.
- Buy them from the Tidemark Broker for **1 Bronze Coin** each.

Cooldown and Notes

- 15-minute cooldown after calling a mercenary.
- If you try too soon, the contract is returned unused.
- Only one mercenary can be active at a time.
- Mercenaries are meant to help with leveling and farming, not replace regular progression.
