Cardsmith Marlow

Cardsmith Marlow gives players a way to recycle unwanted cards into a more flexible progression resource.

\n

Where

Cardsmith Marlow at Eden Group HQ (`moc_para01 43,25`), on the Eden QoL desk row (south of the mission boards).

What Marlow Does

\n
Unwanted cards can be broken down into **Card Fragments**, which are then traded for useful rewards.

\n

Core Loop

\n
1. \n
2. Collect extra or unwanted cards.\n
3. Bring them to Cardsmith Marlow.\n
4. Convert them into Card Fragments.\n
5. Trade those fragments for selected rewards.\n

\n

Known Rewards

\n
- \n

- **Old Card Album**\n
- **Yggdrasil Berry**\n
- **Old Blue Box**
- **15 Fragments → 20× Tide Jelly** (Harbor pet food)
- **25 Fragments → 3× Bronze Coin** (Harbor currency)\n

\n

Why It Matters

\n
This system helps keep custom cards and general farming relevant, even when a drop is not directly useful to your current build. It also softens bad-luck farming by turning leftovers into progress.
