Reforge a costume headgear

Sable can turn a costume headgear from the Costume Stylist into the **real headgear** with its stats.

- Bring the costume (unequipped) plus materials. The costume is used up.
- Quest Board trial headgears can't be reforged. Earn those on the Quest Board.
- The cost depends on the real headgear's required level:

Required level	Materials	Zeny
Up to 40	5 Elunium	150,000
41 to 60	10 Elunium, 5 Oridecon	300,000
61 to 70	15 Elunium, 10 Oridecon, 2 Gold	500,000
71 and up	20 Oridecon, 5 Gold, 10 Holy Water	1,000,000

Relic accessories and armour

Sable also forges the relic accessories, armour and shoes. Matching armour and shoes give a **2-piece set bonus**.

Piece	Materials	Zeny
Accessory	10 Elunium, 10 Oridecon, 2 Gold	300,000
Armour or shoes	15 Elunium, 15 Oridecon, 3 Gold	400,000
Godlike pieces	25 Oridecon, 25 Elunium, 8 Gold, 10 Holy Water	1,000,000

Every piece shows its stats before you commit.

Notes

- These items are part of OceaniaRO's custom gear identity, not official Eden gear.
- They are useful progression goals, especially if you enjoy farming and collecting.
- If a crafted item feels underwhelming for its cost, report it with your class, level, and what gear you compared it against.
